

June 22, 2016 - NCCC

Solid Waste Section Compost Update

DWM Compost Update

Legislative actions

- SB 768
- HB 1004, 169

- Certified Operator Training

- Working on .1400 compost rules

DWM Compost Update

Full Permit

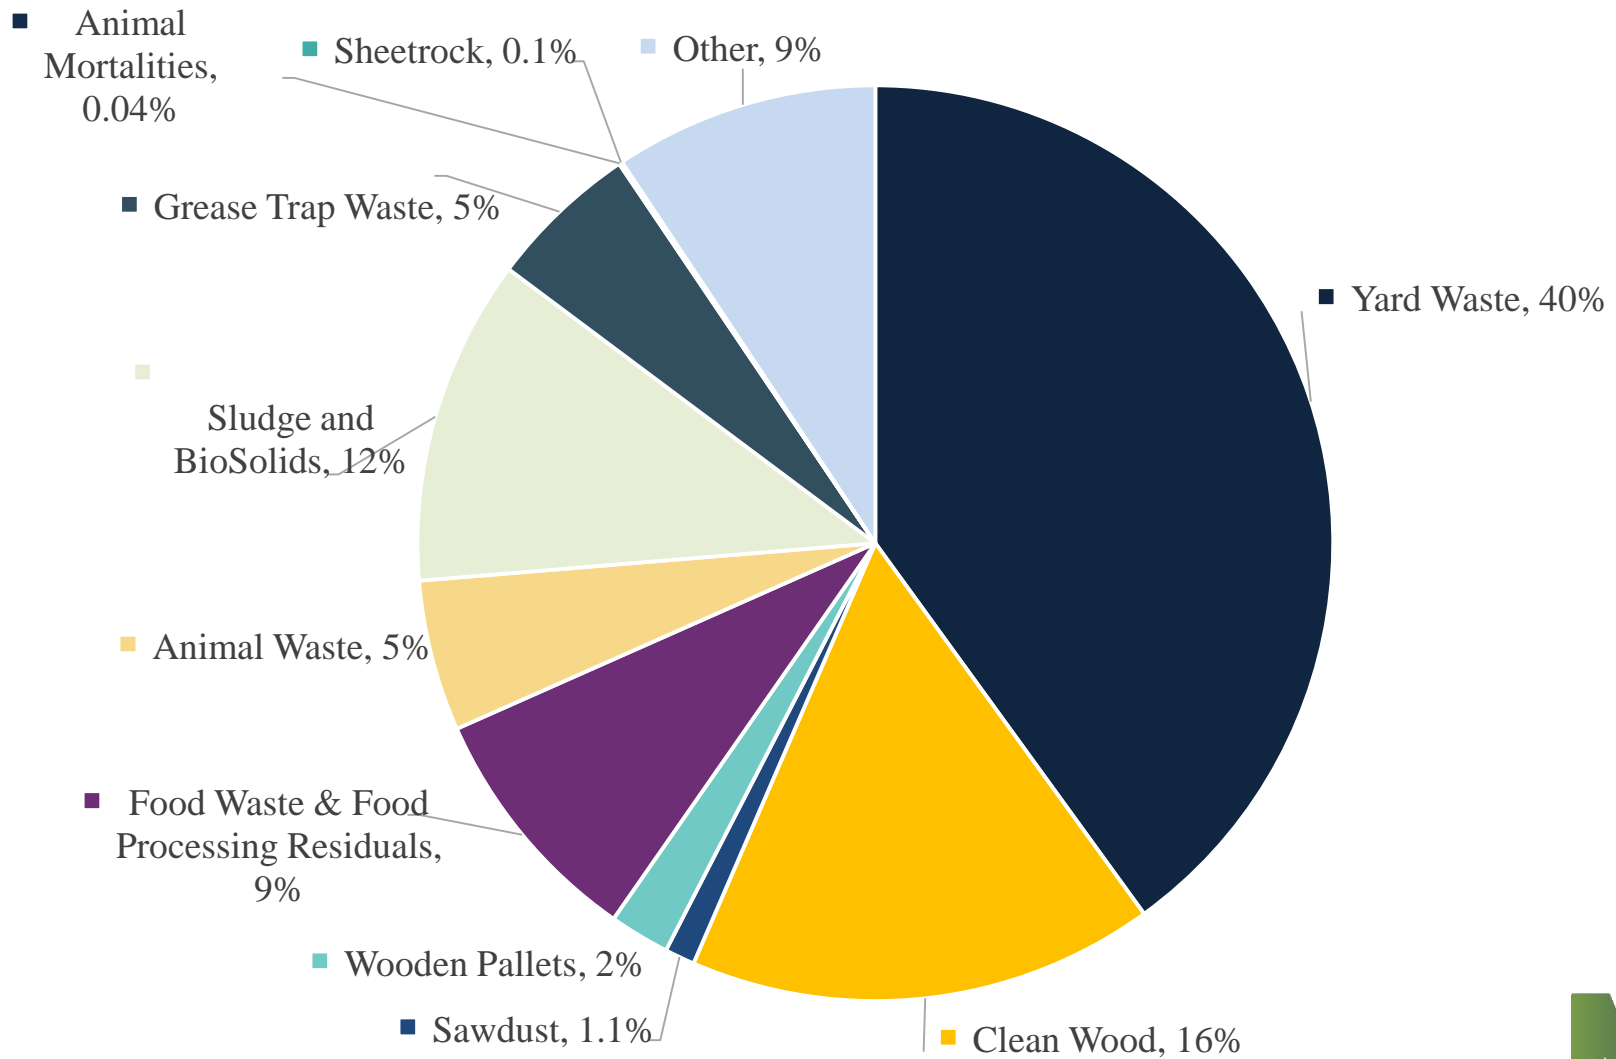

- Type 1 – 14 sites
- Type 2 – 3 sites
- Type 3 – 24 sites
- Type 4 - 2 sites

Operations Not Requiring a Permit

- Yard Waste Notification - 258
- Compost Demonstrations – 7 of which 4 are pending full permit status

Feedstocks Composted/Mulched FY2014-2015

Compliance Concerns and Changing Industry

- 6 Facilities have received compliance orders during the past decade (but none during the past 5 years)
- Urban sprawl around facilities has led to conflicts
- Odors
- Other industry changes
- Processing changes
- Changes in feedstocks (More food waste diversion)
